Dated: 21.1.2012

Sub: INDUSTRIAL VISIT

It is proposed to organize a visit to National Small Industries Corporation (NSIC), Okhla, New Delhi, for 3rd year students of all streams.

The purpose of the visit is to benefit the students by giving them knowledge about option of starting a small business enterprise which may be a manufacturing or service oriented unit after they complete their education instead of looking for job only.

During the visit the students will also be taken around the Incubation Centre of NSIC to show them the working of technologies.

The duration of visit is 4 hours excluding travel time to and fro our Institute.

It is requested to bring the above to the notice of all 3rd year students and convey us the names of 7 students from each Department by 25th January, 2012. Please also indicate the suitable dates for proposed visit.

HODs' (Mech.) and (CSE) are also requested to nominate one each faculty member and convey the name to us to accompany with the students during proposed visit.
